By attending WOC2020 Virtual®, you can claim CME points from home

WOC2020 VIRTUAL® WILL DELIVER INNOVATIVE AND DYNAMIC LEARNING OPPORTUNITIES THROUGH A VARIETY OF LEARNING FORMATS:

Live sessions

WOC2020 Virtual® will offer +100 live sessions including live

Q&A and interactive polls every day from 9AM-6PM CEST on the congress days:

- Opening session on Friday, 26 June
- 105 live symposia on all subspecialties of ophthalmology

Pre-recorded sessions and satellite symposia

Over 250 recorded sessions from world experts and leading industry partners can be viewed on demand for 3 months after the congress. The learning platform will make smart suggestions for topics of greatest interest to you so you don't miss out on relevant content.

ePosters & oral presentations

The special rooms for ePosters and oral presentations will have the added benefit of joining a discussion forum as well as the option to watch a short video from the author, share comments and contact the author directly.

Virtual exhibition

Experience a near-physical exhibition hall by visiting online booths in an easy-to-navigate format. Start a live chat, video call or private discussion to engage with leading industry partners and exchange information with the click of a button.
