SCIENTIFIC CONFERENCES DIRECTING

1. Scientific Manager, Femto-LASIK conference,
Alborz University of Medical Sciences, October 2015
Alborz, Iran
2. Scientific Manager, posterior vitreous detachment, retinal tears and holes conference,
Alborz University of Medical Sciences, October 2015
Alborz, Iran
3. Scientific Manager, Keratoconus conference,
Alborz University of Medical Sciences, October 2015
Alborz, Iran

4. Scientific Manager, Post cataract endophthalmitis conference,
Alborz University of Medical Sciences, February 2016
Alborz, Iran
5. Scientific Manager, DSAEK corneal graft conference,
Alborz University of Medical Sciences, March 2016
Alborz, Iran
6. Scientific Manager, Dry eye syndrome conference,
Alborz University of Medical Sciences, June 2016
Alborz, Iran
7. Scientific Manager, Post cataract surgery macular edema, etiology,
pathogenesis and management conference,
Alborz University of Medical Sciences, June 2016
Alborz, Iran
8. Scientific Manager, Principles of glaucoma conference,
Alborz University of Medical Sciences, June 2016
Alborz, Iran
9. Scientific Manager, Femto-LASIK conference,
Alborz University of Medical Sciences, October 2015
Alborz, Iran

12. Scientific Manager, Diabetic macular edema management conference,
Alborz University of Medical Sciences, August 2016
Alborz, Iran
13. Scientific Manager, Glaucoma management conference,
Alborz University of Medical Sciences, August 2016
Alborz, Iran
14. Scientific Manager, LASER-assisted corneal keratectomy conference,
Alborz University of Medical Sciences, September 2016
Alborz, Iran
15. Scientific Manager, Perimetry interpretation conference,
Alborz University of Medical Sciences, October 2017
Alborz, Iran

16. Scientific Manager, Choroidal diseases conference,
Alborz University of Medical Sciences, September 2017
Alborz, Iran

17. Scientific Manager, Central Serous Chorioretinopathy diagnosis and
treatment conference,
Alborz University of Medical Sciences, September 2016
Alborz, Iran

ONGOING RESEARCH PROJECTS

1. Laser – Assisted Iris color change

2. Blepharoplasty effect on refractive error, topography and perimetry

3. Trans-epithelial Photorefractive Keratectomy (TPRK) long-term results

4. Tea Tree Oil Study

5. Patient Management Problem (PMP) electronic examination as an
educational scholarship survey

6. Corneal asphericity changes after collagen cross linking

7. Photorefractive keratectomy effect on corneal asphericity

8. Blepharitis treatment using BlephEx

TEACHING EXPERIENCE

1. Teaching to ophthalmology residents at Rasoul Akram Hospital.
Iran University of medical Sciences, since 2017 up to now.
2. Teaching to medical students at Rasoul Akram Hospital.
Iran University of medical Sciences, since 2017 up to now.
3. Teaching to medical students at Sarallah Hospital.
Alborz University of medical Sciences, 2015-2017.
4. Teaching to medical students at Madani Hospital.
Alborz University of medical Sciences, 2015- 2017.
5. Teaching to operating room and paramedical students at Faculty of Para-
medicine.
Alborz University of medical Sciences, since 2014 till September, 2017.
6. Teaching to Nursery and Midwifery students at Faculty of Nursery and
Midwifery.
Alborz University of medical Sciences, since 2014 till September, 2017.
7. Ophthalmology Teaching to general practitioners in National Oil Company
hospital as continuous medical education program.
Iran Medical Council, Tehran, Iran

WORKSHOPS
